

QuickNet™ Angled All Metal Patch Panel, 24 Port, 1 RU, Black

QASP24BL

The QuickNet™ Angled All Metal Patch Panel accepts Shielded QuickNet Pre-Terminated Cassettes and Patch Panel Adapters with no additional grounding kit required. These high-density patch panels conserve valuable rack space and, due to the angle, they facilitate proper bend radius control and minimize the need for horizontal cable managers. The patch panel 24 port in 1 RU and black.
