

SDC-3166

Jonard's Cabinet Slotted Screwdrivers are made with an S2 steel shank with a chrome finish for exceptional strength and long life. Our Cabinet Slotted Screwdrivers feature the following:

- Internal shank flanges to prevent the handle from slipping
- Black oxide finished tip to prevent corrosion and magnetized to hold fasteners for easy removal and installation
- Tip is cabinet slotted for easier access to hard-to-reach places
- Ergonomically designed handle for greater comfort and torque
- End of the handle is marked to be easily identifiable while stored
