

part number **06224**.

- **Description:** 24" EPDM Rubber Strap, Bulk
- **Marketing title:** Rubber Strap, 24" EPDM, Bulk
- **Marketing description:** The Keeper® engineered 24 in. EPDM rubber compound takes rubber straps to the next level of strength and durability. Unlike most competitors' straps constructed from inferior rubber, these straps won't crack, rot, or lose rebound qualities with repeated use. It features quality rubber that remains

non-brittle in temperatures as low as -40°F, high temperature, or demanding elements to be used all year-round. The zinc-plated, steel hooks resist corrosion and won't bend, break, or rust as easily making Keeper® EPDM Rubber Straps the best choice when it comes to securing valuables.

- **Bullets:**

- For indoor and outdoor use
- All rubber straps are measured from hook to hook
- Use to secure, tie-down, or bundle items
- Flexible and reusable

- **Detailed description bullets:**

- 24" Compounded EPDM Rubber Strap will not Crack, Rot or Lose Rebound Qualities
- Corrosive & Low Temperature Resistant
- Sunlight & Ozone Resistant
- Zinc Plated, Strong Steel Hooks will not Bend, Break or Rust Under Normal Use
