2RU Horizontal Slack Manager

PZCHSM2

The PanZone® Wall Mount Cabinet 2RU Horizontal Slack Manager is capable of managing and storing slack for 48 Cat 6 copper cables or 144 fiber cables and helps to improve side ventilation by clearing the vertical channel of large cable bundles. This allows for improved airflow and cooling of network equipment. Includes six slack spools, four 4" bend radius posts, and assembly hardware.

Specifications

Product Type	Slack Manager
Material	Steel
Overall Width (In.)	19.29
Overall Width (mm)	490
