

StructuredGround™ RGEDSWS ESD Wrist Straps, Black, Fabric, PK1

RGEDSWS

This adjustable, fabric ESD wrist strap with 10mm snap is designed to ground a technician working on highly sensitive electronic equipment. This antistatic device reduces the buildup or discharge of static electricity. It connects to the ground via a 9' (3 m) coiled cable, banana plug, and 1 megohm resistor and helps protect the wearer from shock hazards.
