

Net-Access™ N-Type Cabinet

N8512B

The Net-Access™ N-Type Network Cabinet is a 45 RU, 800mm W x 1070mm D cabinet. The front door is dual hinged perforated and opens to the left or right. It features split perforated rear doors that open in the middle to minimize door swing footprint. This cabinet has two solid side panels and two sets of #12-24 threaded equipment mounting rails. It includes two sets of SN25F fingers. The cabinet is 84" H x 31.5" W x 42" D. It is made of powder-coated steel and available in black.

Specifications
