

Hinged Wall Mount Bracket, 4RU, 6.26 in. Deep, Black

WBH4

The hinged wall mount bracket expands rack space to the wall, maximizing space in telecommunication rooms. This product can be used with other accessories to achieve an open wall mount rack application for patching or small active equipment. This bracket has an overall depth of 6.26 inches. The wall mount bracket is made of steel, is 4 RU, and is black.
